

BE THE Change

We have a responsibility to our communities to be the change that we want to see. If you could create an organization to address an issue in your community, how will your organization BE. THE. CHANGE?

Logo (draw or insert design here)

Name of Organization:

What is the inspiration behind your logo design and colors used (what do the symbols and colors represent?):

Mission Statement (what does your organization seek to accomplish in your community)

Organization's Objectives (What does your organization hope to accomplish?)

Targeted Demographic (who in your community will your organization provide services for? Be specific.)

Services Provided (what exactly will you do to help your community?)

What are THREE grassroots or established organizations, in your community, that you can partner with? Research THREE organizations and list their name, website, current president, and describe how the organization aligns with your mission statement and why it would be the ideal organization for you to partner with.

Name of Organization (include website)	Current President/Leader	How Can This Organization Support Your Mission
---	--------------------------	--

To prepare to present your community organization to the class, in the space below describe the problem/issues present in your community that your organization is seeking to address. Explain what services your organization will provide to solve the issues you identified and what impact this will have on your communities. Lastly, discuss your long-term objective for your organization and what other organizations you could partner with to accomplish your long-term objectives.

After viewing the presentations of your classmates, what community organization aligns best with your organization? Meet with this person and strategize FIVE ways your organizations could partner together to serve members of your physical or wider communities.
