

# Talk About It...Be About It

Directions: After studying the topic below, write a reflection over what you learned from exploring the topic and how it connects to you personally. Then, write an action statement explaining how you can use the information learned to address an issue or solve a problem that affects you, your community, your country, or our world.

Topic: \_\_\_\_\_

My Reflection (From this I've learned...)

My Action (With this information, I can/ will do...)
