

# When It's Time to ...

Discussion starters to spark rich conversations in a virtual space

T

Tell the speaker something you liked about what they said or share an idea you thought was interesting. Be specific!

A

Ask a question related to the topic.

L

Leave a resource, new idea, or something to consider

K

Keep the conversation going by connecting the speaker's response to a previous topic discussed, a current event, or something else relevant to the discussion or nature of the course.
